DEED OF GIFT

On this day, July 18th, 2026, I, Clay Johnson of Colie Sails, donate to the Barnegat Bay Yacht Racing Association (BBYRA) a trophy that shall be known as the Melges 15 BBYRA Championship Trophy.

The trophy, which is a silver wheel mounted to a large board, has room for 40 years-worth of winners' names, each mounted on individual plates. The trophy is being donated by Colie Sails and is meant to honor the top finishing Melges 15 team on Barnegat Bay.

It is my wish that this trophy be awarded annually at the Seaside Park Yacht Club Bay Day (or whatever day is deemed to be the final day of racing for the season in the BBYRA Championship Series) to the winning Melges 15 team in the overall series standings.

While the BBYRA shall maintain ownership of the trophy, the physical trophy shall be awarded to the winners to keep in their possession for one year. It will be the winning team's responsibility to engrave the year and their names accordingly and return the trophy the following year at the appropriate time to be awarded again.

Clay Johnson
